

POWER SHOT

HIGH PRESSURE CLEANER Petrol Driven Professional Industrial Machine

PS3000HD POWERED by HONDA™

INDUSTRIAL GX200 6.5HP HONDA OHV ENGINE

3000 PSI 11 L/min Cleaning Power!

The PS3000HD takes you to the next level with the Honda GX200 Premier Series Commercial Grade Engine. The Honda Premier GX200 is especially optimised to provide maximum performance levels for the unique power demands of industrial pressure washing. Couple the best industrial engine with the ultimate in high pressure cleaning pumps, the brass head CAT unit, and the PS3000HD is the perfect match for your serious cleaning requirements. The tough aircraft grade aluminium frame provides a super durable yet lightweight solution. Includes large 10" pneumatic wheels for ease of passage over any site.

The accessories are also specified to the highest standards, with the super tough 15m 'Monster Hose' and the 'Dial n Wash' pressure adjustable handgun giving superb reach and precision performance across all varieties of cleaning tasks.

Detergent application is very simple with the PS3000HD, simply clip in the quick release nozzle, insert the built in detergent pickup into your Powershot detergent and you are set to go.

- Premier Series Honda GX200 OHV industrial engine with 3 year commercial warranty
- Industrial cat pump with brass pump head
- Heavy gauge aircraft grade aluminium frame with 10" pneumatic wheels for super portability
